

# HOW TO READ AN END TAG

The diagram shows a white rectangular end tag attached to a piece of wood. The tag contains the following information:

- Limited Warranty** (text above the logo)
- ACQ Protect<sup>®</sup>** (logo text)
- 2016** and **2017** (years on either side of the use category)
- UC4A** (Use Category)
- GROUND CONTACT** (Proper Exposure Condition)
- GENERAL USE** (Proper Exposure Condition)
- 0.40 pcf ACQ** (Retention Level)
- AWPA U1** (Preservative)
- THUNDERBOLT WOOD TREATING** (Treating Company & Plant Location)
- Riverbank, CA** (Treating Company & Plant Location)
- TP<sup>®</sup>** (Trademark of Third-Party Inspection Agency)

Callouts with arrows point to these specific elements:

- Use Category (points to UC4A)
- Proper Exposure Condition (points to GROUND CONTACT and GENERAL USE)
- Retention Level (points to 0.40 pcf ACQ)
- Preservative (points to AWPA U1)
- AWPA Standard (points to AWPA U1)
- Treating Company & Plant Location (points to THUNDERBOLT WOOD TREATING and Riverbank, CA)
- Trademark of Third-Party Inspection Agency (points to TP<sup>®</sup>)
